[Verse 2 - Joe Vertigo]

Watch me as I:
Rise through the pain, I walk through the flames,
insane
With lyrical scatter with spit that'll splatter your brain
I'm tired of chatters get choppers to rattle your frame
We indie like Wendy's; it's my way we robbin' the game
I'm throwin' them thangs and swang with the pain,
deranged
Joe Vertigo murders sho' dumpin' on niggas with
Strange
Ring the alarm, the heavy fuckin' hitters on
My patience is gone; the heavy fuckin' spitters on
I'm poised to attack, I'm posted with G's in the back
My swagger so mean wit a mini-machine on my back
For violence I fiend, I move with a team with the crack
Go loco for rojo, I put that muzzle to your back
And take you on a walk you won't come back from
I take you to the other side of the black sun
(If you disrespect, you'd die to regret it)
You're fuckin' right Joe Vertigo said it
