Alright let' party let's go!

(Hello?)

What's up where you at baby? (Leavin' the spot)  
Meet me at the crib baby (O.K.)  
How many you got with ya? (Four)  
Alright come party, let's go! (Let's do it)

### *[Verse 1 - Tech N9ne]*

After the club we  
Usually go straight to chub base  
That's where the 3 in the morning grub be  
And even though icons is lovely  
Tonight the pad is gonna be a must see  
Cause hussies are coming to give up they pussys  
Trust me

They comin' to muff me  
Plus three  
Maxzilla, Irv and Big Nick we's bout to bust V  
Open until we lust free  
She sucked D  
Gushed me  
Then roughly  
Rode this dingaling like a huffy  
Luck-ly  
Another 36 cup D  
Abruptly  
Came into the room to fuck me  
She said Techa Ninna touch me  
Your dick is thick and husky  
It must be  
Like a ride at Cedar Point in Sandusky  
Well whaddya know baby girl rushed me  
The TNA was so silky and fluffy

Unjustly  
I crushed B  
And not one of these broads is ugly  
Till the next morning when they crawl in they hubby  
snuggly  
Lookin' rough as rugby

*[Chorus]*

Ye, we hit the spot if we choose her then she dippin' out  
To take her to my house (It's the afterparty)  
We can all (Get naughty)  
And take our clothes off

You can take the under-route  
Tell your man you at your momma house  
No but really (It's the afterparty)  
And we all (Get naughty)  
Take our clothes off

*[Verse 2 - Kutt Kalhoun]*

Full of that liquor  
Ready to stick all this dick up in her  
Bitch out at Nina's  
I never seen but I'm fixin to fuck  
Already popin I'm running late  
But just minutes away  
Was told to grab condoms from up at walmart  
and bring em with me

Soon as I enter my cock's attending a chicken brigade  
Somebody's pussy about to get cooked rather chicken  
fillet  
Found me a victim  
We made our way through the kitchen  
escape  
into the garage  
and the ?? was bout to begin

Lethargically sucking  
heartily fuckin  
with pinky to meat  
So I told the slut  
to hike up her butt  
and let Kutt intervene  
All in her guts  
In between  
The Benz and the buck and the scream  
Nigger you're fuckin my whole linin up  
With my husband to be

Drowning too much in the V

Shut the fuck up and I ease out  
Take off the condom and I sprout  
On her butt with relief

Just another episode of back to naughty?  
Techa Nina I can't thank you enough  
for the afterparty

*[Chorus]*

*[Verse 3 - Devin the Dude]*

When freaks come out at night  
The freakiest stays out the latest  
They hit the afterparty  
They got somebody take care of they baby so it's cool  
No rules no security gaurds  
Let your hair down  
Yeah now do what you want  
Maine, fire up the weed  
Whenever you please  
Best believe  
That you got the green light  
The special guest is me  
And we been drinkin and smokin all night  
It's time to find a hoe to be strokin my pipe  
A bitch quickly grab my dick and ask why it was so soft  
I said that it would go off  
She gave it a quick blow off  
And she did  
And me dick  
Start to rise  
She opened her eyes to a surprise

Her thighs was moist  
It was my choice to go up in it  
for a minute  
put my dick up in it

She said it was spendid  
She usually charge niggas  
They like to rent it  
I told her put it on my bill bitch and send it

*[Chorus]*
