The word is mainly used as a profanity towards someone the speaker does not like, whose behavior is hurtful, self-centered, or particularly abrasive.

MCs come around me talking bout
"Your stage show is off the hook" as I'm walkin out
As if to say my performance is why they gauking out-
Side it, that I be lost in doubt, lyrics that a nigga be
tossin out.
You mo-fuckers can't see tech, I mean be tech, and
these rejects lyrically don't got no
Electricity, we that quickly, eject when your shit inside
of a CD deck. We just
Put in the dope shit we rep, then we jet, i mean, split
like a V-neck nigga that's
Disrespectful, never test the next bro
When we up in the air like Craig Smith, tech, and nesto.
Standin next to necro, we blessed to let flow, get
dough
Even though we gets the pest-o
Kali say that it's a compliment,
When they say that they love the show but I spit the
monster shit
All you mediocre rap mother fuckers tryin to spit
I'll murder yours, I'm an asshole and it's time to shit,
nigga

You can label me an asshole, cuz I'm fast, put your ass
on blast, I'm a natural
Call me sphincter, lil' stinker, you ain't touchin' me in
this arena (No-oh)
You can label me an asshole, cuz I'm fast, put your ass
on blast, I'm a natural
Lil' dook shoot, dont make me toot toot, you dont

But I don't freestyle, and waste rhymes like half of ya
I'm still spectacular, it's just a different vernacular

I'm tryin' to eat you niggas meat, I'm comin' for ya spot
Fresh off the block and I won't stop, until I reach the top

I'm killa city's B.I.G, I'm guessin Neenas' Pac.
Damn right nigga, quote it in the quarter bowl
Any problems we can solve em nigga let me know
We the new niggas, Strange Music takin' over
And they ain't nare nigga safe nigga even Hova.

Asshole is me-Oh, I'm super sick and sodomize ya right
My bad attitude will be my demise
Dont look me directly off in my eyes
I might get insecure 'bout what ya starin' 'bout, rip your
fuckin' hair right out
Mr. Nice Guy I might seem when you meet me,
But niggas might die if I'm deeming your speech beefy
Kiss em bye bye, if he ain't speedy to leave me
Had to nighty nighty em, cause a nigga seemed sleepy
(What an asshole!)
The world did it to me, starin' at my face like it's
playing a movie
Twist my lip off and my lip off, no polite time so that
means I'm soft?
You think I'm chicken, I think yo bitch is the dipping
sauce
All I got is hard dick and bubble gum
Can't give ya neither, well you bitches is too
troublesome
Yea, I'd love to sign my name on your poster,
But don't slip me your demo, it's gon' end up as a
coaster.
I'm an asshole.

You can label me an asshole, cuz I'm fast, put your ass

Call me sphincter, lil' stinker, you ain't touchin' me in
