At my back
blue straw [blue streak]

[Verse 1]

Untame i run with a game no time for the fame.
I proclaim my name with a shame it's insane my brain
full of pain.
Such strange in the game to maintane my juice but i
came with no shame.
Hella richness i aint the game it's in my veins i changed
from cotton to rugging to raise (?)
My frame wicked (?) crazy derranged.
Anything go's my life chose was money and women i
had no intentions of gettin fro's.
Blows hearts hits to the nose. Use to be like my bro's
but those foe's got me behind doors case closed.
Three in the row doing it to get back on my toes yo this
once gotta go no amateur but a pro lettin you know i'm
back and i'm after the dough.
Devil with pedal to the floor.Gotta get it

No scratches no stacks no kickback no hit in the back of
the escalade cadillac,
straight darkness tryna find where my shadows at
[Grrhh] if i found in deep in the bitch i can padle back.
Undercover blown my richness all gone identity prone to
look up and break in your home with a chrome.
Own one, everbody loves my tone gun done no more
lethal killers to run from.
Thieves converted to something you wont believe
never greave homie handed over the blue streak with
eaze no more crime or [?] no more swine or ill be in
solitary convine.
Leave any place like the floridan keys with a breeze
where u can do no shoes and short sleeves but i bring
my ladies and g'strings blue skys watching the blue
streak glissen in my eyes.

Pride blue streets
Time to eat

Pride to be
Find blue streak

[Chorus]
Pride blue streak
[Gotta get it]
Time to eat
[gotta get it]
Pride to be
[gotta get it]
Find blue streak
[gotta get it]
Pride blue streaks
[Gotta get it]
Time to eat
[gotta get it]
Pride to be
[gotta get it]
Find blue streak
