Hook:

I already play with your friends
Now I wanna play with you
I already, I already with your friends
Now I wanna play with you
Boy toy, I already play with your friends
Now I wanna play with you
Boy toy, I already play with your friends
Now I wanna play with you

I should not be one you take two moms
Unless your mom talks face the bomb
I don't wanna know if you have some grimp pupan
Just great punan and I lay cupan
I'm excited for you to find me invited I'll get your hiny
ignited
I'll get your slimy and slided, inside I might even bite it
I can't get mighty and violence
Baby why you're you and your girl is...
So come right over in your PJ's
The day with your be apples is not easy
So you'er telling the girls the game that we play
They call I'm in love with your DJ
Signed me up so get behind be but
All you gotta have is tear let me whine me up
All creeds even loud beauty's needing the...
Ozy women oy oy they're lovin this boy toy

Hook:

I already play with your friends
Now I wanna play with you
I already, I already with your friends
Now I wanna play with you
Boy toy, boy boy boy toy
I already play with your friends
Now I wanna play with you
Boy toy, boy boy boy toy
I already play with your friends
Now I wanna play with you

Turn on my left I black mumble lose

Really sexy ladies in and I kinda swupt
Women wonder whose got the long
How am I sticking your mouth and this sweet jumba
juice
Real hard and real bard and doing ladies none
wheels... get the spil guard
Hills stars for women standing in the ville
Yard this fantasy now real time with Bill MARKS
Time is ticking can't find the stickin be mine for stickin
I love it when I find she lickin on me
Grind and twitchin design for pitchin the line for missin
I dug it I'll be hind I'll tick it on me
Don't rate I'm horny and don't hate on any permanent
situation
God I don't date but I'm going make and my power stay
on late
And the best thing about this boy is I don't break

[Hook:]

B O Y T O Y me so fly, wanna play with me
She know why she's gonna buy the...
'Cause I display the deep
And nothing else some different you're fucking else
You're looking for love and help
And seeking just rub and help
I got you, I don't fake with this bot toy shit
If you wanna play just hit me up and kiss my joy stick

Mhm I love it
You love what?
That
