[Verse One: Tech N9ne]

The rapper you gotta have in your chatter
You be gatherin data, to mom and dad it's a matter
Cause they lad is fanatical, for this vladic, this radical
Add a skill that brings avid adolescents to drag us
Everywhere in there beats by, they be lovin the speech I
Teach my beast I eat, when records released by
They favorite artist, invaded they hardest
The way that it started, my latest they'd have paid it
regardless
Ever been to a Tech show? (I HAVEN'T, I HAVEN'T, I
HAVEN'T)
Then why you stoppin and poppin me out the deck for?
Hear that I got the best flow? (I HAVEN'T, I HAVEN'T, I
HAVEN'T)
Granny clippin, trippin with Ellie and Jethro
For listenin to my music they choose it, they use it
As therapy they're on me when I do this, they lose it
Mom and daddy wanna ban me, I'm loud like a wild
banshee
I'm rowdy and antsy maybe that's why they can't stand
me for real

[Hook]

These are people who can't stand me
Your mama, your daddy, your greasy ass granny
Who be callin me uncanny
Your mama, your daddy, your greasy ass granny
They tell ya
I'm no good to you, but you don't listen to me
I'm the one you love, but you people can't stand me

[Verse Two: Tech N9ne]

See this rap kid is a stack getta
But Dad lit up when he saw that the kid was a black
nigga
And she's a wack bitch if you fat back with her
And her mama mad sick cause the last dick is from
africa
That's why they always act shady, we splat babies right

at Bradys
That's maybe the worst for a white lady, that's racy
No longer match-makey, when the blacks attack white
they be watchin the mac lately
Ever been with a black dude? (I HAVEN'T, I HAVEN'T, I
HAVEN'T)
You`re prolly thinkin we're all weed and tattoos
Ever thought white and black's cool? (I HAVEN'T, I
HAVEN'T, I HAVEN'T)
That's cause you think you're daughters gettin her back
bruised
Your mom's in your business, she's in your business
Can't you see she wants you to keep us niggas at a
distance
Separation existing, and here's cold
This story took place when I was 16 years old

[Hook]

These are people who can't stand me
Your mama, your daddy, your greasy ass granny
Who be callin me uncanny
Your mama, your daddy, your greasy ass granny
They tell ya
I'm no good to you, but you don't listen to me
I'm the one you love, but you people can't stand me

[Outro: Krizz Kaliko][Spanish]

Ves que ellos dicen (See what they say)
Que soy malo para ti (That I'm bad for you)
Si tu me amas (If you love me)
Te puedo de sanra
De sanra
No soy bueno (I'm no good)
Pero te amo (But I love you)
Te amo (I love you)
No soy bueno (I'm no good)
Pero te amo (But I love you)
Te amo (I love you)
