Yea, it's like the ultimate party favor baby ya know, yea
2 cups and get her hot and out of clothes, ya know
Caribou lou

It's like-
151 rum
Pinapple juice, and malibu, caribou, get them all numb
Make baby girl come
Out of her shell and raise hell
Don't stop till the cops come

Half a bottle of 151
Off of the jug with cup of malibu rum
Baby that's what's up
Then you fill the rest of the jug
With pinapple juice, and it's crackin
The only defect is wakin up like "what happened?"
I like red light parties and fed right bodies
Who like, bread like dolly and head right totties at night
Aribou kay
Ou-la
Terrible day
You pay the liquor store teller with no hair-a to braid
Tusche
Get the party jumping
Keep the hotties humpin
I like them thick and juicy
So don't pilate nothing
Drinkin to much lou you
You might be karate punchin
Or at the back of the club
Attending the naughty lunch-in
Satin,
Kool-aid getchu hella 151
November dog
So run kitty run
We gon' drink it until we done
Diddy dum
Bum biddy bum
Here kansas city come so give me some-
