All: I can't believe you did this to me after all I did for  
you  
Cause you made me so mad and there's nothing you  
can do  
You and I were clueless, but you were the most  
And I guess you just got lost  
Baby you were just clueless  
(So clueless)

What did I do to deserve this kind of pain?  
Out of all the fights, this was the main  
You said to give it a chance  
But I saw you at the dance  
We tried to work it out  
But I still had a doubt

All: (Clueless)

I just can't take the risk of getting hurt again  
And you're way worse than other men  
I used to think you had a brain  
But now I know that you're way insane  
You tried to steal my heart away  
And you'll pay for that someday

All: (Clueless)

All: I can't believe you did this to me after all I did for  
you  
Cause you made me so mad and there's nothing you  
can do  
You and I were clueless, but you were the most  
And I guess you just got lost  
Baby you were just clueless

All: (So clueless)

I cant believe I let u play me for a fool  
N' wt u did was so totally uncool  
I had no clue it would end this way  
And I don't really care of what you have to say  
I'll never forgive you for what you did

Gosh, I was such a kid

All: (So clueless)

But now that I'm grown and mature  
I realize that I was blind and unsure  
It aint gonna happen no more tho {no mo}  
And it's obviously the end of us, yo  
Now I just wanna scream and shout  
Cause you don't even know what our relationship was  
about

All: (So Clueless)

Should've told me the truth in the first place Now im  
gonna have 2 pick up the pace  
Boo if u loved me so  
Then you wouldn't be this low  
But now that I figured out your cheating ways  
It's just too damn late

All: (4 us 2 ever be togetha again!!) And you won't get  
away with anything else these days (this I promise  
youÃ¢?Â¡. Yeah...)

All: I can't believe you did this to me after all I did for  
you  
Cause you made me so mad and there's nothing you  
can do  
You and I were clueless, but you were the most  
And I guess you just got lost  
Baby you were just clueless  
CluelessÃ¢?Â¡  
Clueless!!!!

(u should've told me before... should've trusted our  
love shouldve thought about that before you went on  
and broke my heart.. but its ok because in the end im  
better off without you and its just too bad that i cant say  
the same about you!) ur so clue-less...!!!!)
