Ft. Irva Da Phenom & Royce Da 5'9"

That was good baby puts crazy  
Could maybe you turn on the fan cause it's a good 80  
In here right now, we were steaming like wow  
Banging like wow, question baby you might , right  
This might not sound right, but your girl is down right  
That's clown type, and she right below us hearing our  
sexy sound bites  
And ,sitting down there acting like he found Christ  
Telling her he's married, tell him to hurry to get her  
crown wiped  
Listen, I'm ready to do this thing, enough of wishing  
Do your thing, she would come up and get in a fuck  
position  
Don't be looking at me like I'm crazy baby, it's just  
suspicion  
And I never had eyes for your past homie  
But ,for this one, cause she's an extra rolling numerous  
for 10  
Of ,and last letter and sex with a smashing , than  
breast  
When you looking at me like I'm ignorant  
You should be pitching this to your home girl  
Then I can do both of you like a polygamist  
So are you digging it?  
Did you got to get twisted?  
Add to get up the nerve to run to her and get her in this  
Bad looks like you're dressing but the , asked a  
question  
I really like sexing you but the 2 of you would be a  
blessing

Warrup with you girl? I want to enjoy,  
, girl, to get up with your boy,  
And I'm kicking on you but I'm still curious  
You looking at me like I'm playing but I'm damn serious  
Warrup with you girl? I want to enjoy,  
, girl, to get up with your boy,  
And I'm kicking on you but I'm still curious  
You looking at me like I'm playing but I'm damn serious

I'm hoping you don't take this home girl  
But ever since you came up in here with your home girl  
I had my eye on you, and her too  
And honestly I think that I want you both girl

No one may sound a little bit ridiculous  
A , sick and twisted if you ain't with it then I would  
understand  
Cause when I'm thinking it's something a little , and  
freaky diky ,  
But on the other hand  
Know what they say about them showers  
And they must be true, look at you sitting there  
Blushing hard and you smiling while your home girl  
sitting right beside ya  
Every time I look up she staring into my eyes in  
And I just wonder, do you ladies like to share  
Shower with each other, have you ever took it there?  
Teamwork makes the dream work  
So how about we take it to the room  
You me and her

Warrup with you girl? I want to enjoy,  
, girl, to get up with your boy,  
And I'm kicking on you but I'm still curious  
You looking at me like I'm playing but I'm damn serious  
Warrup with you girl? I want to enjoy,  
, girl, to get up with your boy,  
And I'm kicking on you but I'm still curious  
You looking at me like I'm playing but I'm damn serious

I'm so street when I speak my speech great ,  
I don't wanna meet your girlfriend,  
I want you to take me to her  
I ain't mature, I'm getting head outside of my ride  
when I'm driving  
Ace Ventura, I come from that meeting  
I move 2 chicks in, like 3's company honey  
I know, I'm Jack tripping, she like to try and kiss me  
She said her name was Jenny, I said call me Nickel  
Now let's go find Crissy,  
I'm not gonna lift the box, but I'll try to keep you happy  
I call my nigger big Scooby, he'll come and eat your  
Shaggy  
I know I act , it's just that me you and her make the  
perfect combination  
Like a crack code  
I was taught , to double your plate  
I'ma be coming till one of you got the , face  
U hu, I'm just kidding, though I am persistent

I got a question, listen

Warrup with you girl? I want to enjoy,  
, girl, to get up with your boy,  
And I'm kicking on you but I'm still curious  
You looking at me like I'm playing but I'm damn serious  
Warrup with you girl? I want to enjoy,  
, girl, to get up with your boy,  
And I'm kicking on you but I'm still curious  
You looking at me like I'm playing but I'm damn  
serious.

Thanks to Andrei
