Strange Music 10 years in the makin'  
Ey man this feel like I'm in Miami, Florida, man  
But reppin' Kansas City at the same time  
I can do anything go shop buy fly high no lookin' back  
Take a trip everyday livin' life all paid build an Empire  
State  
I'm doin' it (doin' it)  
I'm doin' it (doin' it)  
I'm doin' it (doin' it)  
Euro, pounds, crowns, get dough  
Red Light District, hoes in the window  
At the Green House blowin' on the indo  
???? room and the cab is the Benzo  
Yo, then I'm on to the next  
Got hoes on deck, got a home on my neck  
Yup, wrist flooded in cruice ship  
The Last Train to Paris like Diddy for them benjies  
All black everythang?? frisbee  
I can do anything go shop buy fly high no lookin' back  
Take a trip everyday livin' life all paid build an Empire  
State  
I'm doin' it (doin' it)  
I'm doin' it (doin' it)  
I'm doin' it (doin' it)  
I'm doin' it weller than??  
Globetrottin', I'm hot, I'm a young yacht seller  
All about my paper I'm serious like an emergency  
Some of y'all ain't heard of me but I'm about to fix that  
And no I don't pay rent partner I pay mortgage  
Oh yeah I'm doing that  
I can do anything go shop buy fly high no lookin' back  
Take a trip everyday livin' life all paid build an Empire  
State  
I'm doin' it (doin' it)  
I'm doin' it (doin' it)  
I'm doin' it (doin' it)  
Sold out shows Nina make 'em go nuts  
They get the dough cut  
Cold days in Missouri can't stand them  
So I take the family to Saint Martin just to tan 'em  
Kickin' at random beaches then when I land??  
Wife and kids in the Phantom

Why she all up in mine? I'm Tech N9ne  
And gettin' mo checks, my life is so jet  
I got a Mercedes-Benz I ain't drove yet  
? your? filet? chewing it  
Haters want me to ruin and never stop the Nina cause  
it's  
We're closing airports  
I can do anything go shop buy fly high no lookin' back  
Take a trip everyday livin' life all paid build an Empire  
State  
I'm doin' it (doin' it)  
I'm doin' it (doin' it)  
I'm doin' it (doin' it)  
Okay this means we through doin' it now  
This was the mixed plate  
Now I'm 'bout to go to Gates and get me a? tray  
Kansas City baby this album was for you  
I don't care what nobody say
