never don't try find me, why
why? 'cause I'm lost in the clouds
earregular boss int he house

I don't hear what you hear nigga
because I hear difference you label me a weird nigga
I like that, and I like mix and dark and some clear liquor
for the night girl, although we ain't the same I cheers
with you
then I might back listening to doors records while I get
groupie horse naked
if it's a blood and then gore message
to the movie I'm short catchin
my brain is a forth plaxin
got me label is your message
nigga nigga wanna ignore message
your pissy port message
..a bitch opposite..
while you mad at your bitch
'cause you know she at the back of..on my dick
you gotta be sick, girl I have been thinking..
stack of this record we better we place..is that never be
quits

Oh 1 2 3 4 my nigga
doing for much with fire I'll be my nigga
6007 h100 degrees my river
ain;'t the regular mind state but it fried 9 leaver, huh
but the state ..

2 x
Earregular, we're nebula
dear secular that's 'cause we seat here next to you
we're giving a fear mess with original witch dress for
you
dear pressure that ignorant..the death niggas

I know that my style is different
mean while I get frowns and..
he better know, we let it go

flee never go, see that a pro
will make the sounds breaking down the distance
I get the psyche blonde
when I seat and I write these songs
then I fuck on the..on
plup plup plup so the women it might be wrong
in the middle of the night he goes
and the white for the 90 goes
stop stop stop stop stop
so many sicknesses that I get..but nigga never
disappeared
I know,,get this real stupid.. and I take the..
with the number..I was been erased

When I rhyme I design as it mine less
you can find tag flowin up the devying stretch
never spion less spider case a rhyme..
like Stevie made it in a sign sense

Hook:

Earregular, we're nebula
dear secular that's 'cause we seat here next to you
we're giving a fear mess with original witch dress for
you
dear pressure that ignorant..the death niggas

Y'all mother fucker stuck with stupid
I gotta be clear if you ..you fifteen
yeah that's nigga I'm on the grass
look in the bastard I sin the..but I get a pastor

Hook:

Earregular, we're nebula
dear secular that's 'cause we seat here next to you
we're giving a fear mess with original witch dress for
you
dear pressure that ignorant..the death niggas
