(Intro)

Say hoe, can I ask you a question?

Would you happen to have any great punan?

[Verse 1:]

Eenie meanie miny hoe, choosing bitches at my show
Tryna get you at the mo, poppin' x and smokin' dope
Eenie meanie miny hoe, come in here and close the do'
On the bed or on the flo', I'm about to let it go
Do you solemnly swear to put that bottom in the air
And do you promise it'll be bare so I can bump it?
Twist it, pull it, hair is in my palm as we share
Pull off the magnum and teach prayer and then I get
off it
Who else wants some, who else wants some of debo?
Where'd she go, the one I saw... the little bitty waist 38
double d though
I've seen more H O Es go home with me, holy toledo
I greet those thick... with the homeboy Frame and Krizz
Kaliko

[Chorus:]

Which one pick one anybody know?
This one that one if she wanna go
If she trippin' gotta let her know
