Drop it

Wow, look at all these women

I'ma have a blast here

'Cause all of 'em know that I made a lot of money last
year

So that means that you got to really, really bounce that
ass, dear

Then maybe later you can get in the position of a pap
smear

Stripping's at a all time high

If it's based on the amount of dollars that fall,

I'm why

And the ladies, they love me 'cause I ain't no small time
guy

So we up in the strip club and a chick just caught
N9ne's eye

Mayne, this chick got a big butt

Stainless, and this rump that'll make a brother get up

Frame is thick with her rip gut, strangest thang it jumps

I'ma give her hella big bucks

In this thang, when it swang

Steady steppin' up my spin it game

After the spot they wanna go bang with 120 minute
mayne

Her beautiful face, insane, and yes, her thighs are
gleamin'

And it's spiritual 'cause her booty'll exercise the
demons
