Yo  
What up, sit up, get up wit' us killas  
Enough niggaz to crush ya luck and bust ya' guts and  
liver  
Hit with the Ruger and now ya' livin' off in the river  
Watchin' this arsonist while a spark a bit  
of my heart  
and bark Imma start the shit  
welcome to the bottomless pit  
animalistic  
I know its hella dark in it  
My world, is not like a regular life  
We tote big guns instead of a knife  
Hella grim night, the devil is in flight  
He said a Beretta will get us whatever is in sight  
You gotta job, I ain't got one  
You got wad, I gotta shotgun  
You gotta guard, I got squad  
You here to work I'm here to rob!
