[Verse 1 - Tech N9ne]

Wake up in the morning with my betta half (Chaa)  
On a boat lift the covers and I pet her ass (Chaa)  
Never know when I gotta go cuz my life is impossible  
The way I'm living the good things never last (Chaa)  
So I live for the minute just want to start to begin it  
When I wake up again I'm on stage rockin  
20,000 people they yellin feedin my ego  
When it's over the groupies they wanna know what's  
poppin  
00N9na, known for dippin  
From place to place I gotta vacate the mission  
Gotta get the money but wudda ya know I wake up in a  
movie theater with my little ones on a big one  
Hollywood movie with the Jackass cats  
I close my eyes I open em and I'm back at rap  
In the studio collabin killin wack ass crap  
But then in a blink I wake up and pack that strap  
In the club cuz some other niggas want my head  
I don't know too much about em but they wont buy red  
I ain't trippin don't wanna let the killas in blue start me  
Wake up again I'm a DJ Clue party  
With Diddy and Jim Jones, Juele and Rick Ross, Cat Fay,  
Trey Songz and Drake this is boss  
Amazing  
Lifes hella crazy livin like I'm a cuatro, triple, double  
agent

[Chorus - Tech N9ne]

00N9na  
Where I'm bout to go I dont even know  
00N9na  
In a place where almost anything goes  
00N9na  
Many roads when I travel is what I chose  
00N9na  
Where I'm living I really got to many roads

[Verse 2 - Tech N9ne]

Me had a lot of women but dem need me (Chaa)  
Wake up tryin to hide it but sin sees me (Chaa)  
Overseas nigga tryna begin freaky (Chaa)

Wake up at the award at MTV (Chaa) U  
Then I stab it at you, wake up I'm back at Missou and I  
get to mackin a few  
After the yak I take em back to the sack and I screw  
Scat then back to the lab I got some rappin to do  
Then I wake up again I'm on stage at Paid Dues (Chaa)  
This characteristic is made to slay crews (Chaa)  
Some tryna get at me to battle but they lose (Chaa)  
Then I'm wakin up with my kids on a pain cruise (Chaa)

They callin me daddy, wake up in a strip club they callin  
me daddy  
Man I'm goin hella baddy  
Amazing  
Lifes hella crazy livin like I'm a cuatro, triple, double  
agent
