Sleeping Beauty:

It was a Saturday night me and my homeboys decided to dip to the movies, and you know us. Always on CP time. So we entered the theatre and we find our seats. Kaliko wanted me to get something from concessions so I did. So I'm waitin in line and I see the baddest bitch homie! I mean I was like fuck the food, what's your name, nationality and age baby? But I forgot the first two when she said she was SEVENTEEN!! On the inside I was like:

FUCK, SHIT, GOD DAMMIT, MUTHA FUCKA, YOUNG BITCH, WHORE, SLUT, CUNT, WHEN YOU GONNA BE 18?

In the midst of my crisis I heard her say:

Well I'll be 18 in a week.

and I was like Oh yeah? and she said:

Yeah

Man she was a stallion, ass like pow, chest like bang, lips like ohhh, I had to have her cat! Deja Vue.

I'm in the movie and I don't give a fuck about it I keep thinkin' about the bitch I met at concessions Really a cutie I wanna get up in her but one thing identity saying she is ONE SEVEN For the movie imma go back and spit at her throw at the chick like my name is Tech N9ne Bitch! When I said it she went balestic meaning she was wid it and loving my complex rhyme shit I had a brilliant idea take her back to the crib and I give her some of the bad momosa the crilla with realy ?I kee a? got every fizzle with it's comfortable to it I can holda to about the weekend on her b-day we can leave a she doesn't know that I meant size C K all she is T-E-C-C-A when you get outa work baby you gotta go with me k?

But I wish I was fuckin, and suckin buckin, and crushin,

Somebody's knock knock knockin at my door yo!

Is there a problem officer?  
Yeah we got a noise complaint from one of your  
neighbors, uh you havin' a party?  
No, it's just me here man, Imma musician.  
Uh we know who you are.  
And I'm a star in a movie, that's my projectory here,  
and the music's already down so.  
Well let's try and keep it that way.  
I'll keep her...I'll keep it...keep it down, I'll keep it down.

Hook

Yay I can hardly wait it's getting closer to our date!

It's been a couple a days I had gag her  
back and forth to bathroom I had to drag her  
cause the drugs I'm givin' her make her stagger  
tryin' to feed her food but's makin' me wanna stab her.  
With the steak knife I tried to feed her steak with

Okay when you starve to death don't say shit!  
I'm set it to the side till your hungry  
I see that your energy's tellin me that you want me  
She said:  
I never knew that you would be one of these psycho's!  
Why you readin' to me from the bible?  
Get away from muthafucka I hate you!  
On the morning of your B-Day I'm a take you.  
Days go by and I'm lookin at her hazel eyes  
I wanna be a sex late know why  
cause your a beautiful lovely  
Won't you to trust me  
and never judge me  
now do you love me?

I love you, I really love you, I wanna feel you, I wanna  
touch you, take me outa these cuffs, I wanna hold you!

Look at her sexy ass  
beautiful panties see through like plexy-glass  
rip em off of her like an animal mesh we clash  
at the bottom she put her hand up on nest T-Bag  
Heavy kissin' in heavy pushin it ?? Heaven I wanna stay  
Lord please never take it away.  
Happy Birthday baby this is how I'm gonna be lovin' ya  
And then she put the steak knife through my ?  
juggyala?  
Now as the blood trickles  
My body wiggles  
I'm lookin' up at my beautiful baby as she giggles.  
I never thought that it would end this way  
This ain't how I wanted to spend this day  
The webs we weave are so damn tangled  
I guess my baby didn't really like my angle  
I lie in a puddle of blood neck mangled  
end my life by the hands of an angel....
