H.I.G.H.L.A.N.D Highland nigga

H.artless I.saine G.etto H.odlum L.vin' A.d N.ver D.in'
That's what I'm talkin' about

Rogue dawgs, when I call my Rogue dawgs

Rogue Dawg, niggas
Fa the nine-eight

We'll have to crash 'em like this nigga, yeah

[chorus]

My nigga my nigga we soldiers at war

Killin' off our enemies 'til it aint no more

Laws we break yo' shit we'll take

Murder fo them bustas and hatas it aint no escape

Rogue Dawg fo life!

It's the beginin of the endin fo yo ass

You broke ass niggas hit the strip we need mo cash

This midwest side hittin' like a M-1 time to get some

Payback fo you bustas that laid back

My gats aint met yo next so fuck yo vest we dumpin'

Killin' all that punk shit that you heart be pumpin'

See somethin' I take it cuttin' through the red tape
Yo legs break tryin' to catch up who who led the race

It's 5-7 Highas heaven causin' insanity

Whatcha handin' me we'll have you bitch ass postin' the

vanity ??s

Gotta recoop fuckin' with these troops

Soon as we see you Load up and we shoot on site

We turnin' out the lights my appetite for destruction

Got me in the mood for bustin' dumpin' accross the mizzou

And get to huntin' for Kevin Eastda oo-oo
And nigga you knew da Rogue Dawgs rule!

Your so called truths get battered and bruised

Stackin' you fools so deadly it don't matter the tools

I'm afta my dues prove if you snooze you looze
Prepare for war when you fuckin' wit my crew

Rogue for life!

[chorus]

265 lbs. all nigga
And I'm good wit these dawgs nigga

Got steel plated balls nigga

Representin' 57th street

Me and my Dawgs bringin' the heat

Born and raised to be a villain on these Kansas City
Streets

Best retreat when you hear my Dawgs barkin

Snarlin' got that blood boilin'

Midwest side carved in hangin' out the chevy now we
blastin' and laughin'

Made to hit me smashin' on them bastards

Don't be talkin' when they ask you shit got drastic on
that bastard

Left him fo da cats that sent them straight to hell

Just like hosts of veil another soldier's tale

Nigga the life of a coward was taken when we bailed

Look I swore to die for bloodline more heartless than
my father brought (nigga)

Load the cartridges with hollow point hard ones

When Rogue dawgs call it's an all out war move

56 marks it 'cause 56 swore to

Heartless insaine ghetto hoodlum livin and never dyin'

Midwest side until my last breath on highland
Why should I lie? I live an die for my side

Ride the city 'til they roll with diddy one last time

Let this n9ne yell out fuckem

Fuckem if he's gon walk he's nothin'

Fuck where he's from he'll even run when I'm comin'

Rogue dawg fo life no fear of death no mo

I swore to live a life a soldier at war

Rogue dawg fo life!

[Chorus]

Are you afraid of the unknown brains get blown

Expose chrome to your dome 'til you stiff as stone

With the phone neva suck it I'm goin'
In the pockets and blowin muthafuckas to smitherines

You knowin' that it ain't no niggas stickin' me like K-do

Be warned I'm able to explode like a volcano

On y'all we told y'all we Rogue Dawgs

We know y'all this one is Hong Kong

Fo' you bustas and hatas we (gotta make that paper)

Can't break us then take us I'll peel you like a potato

Nigga wait a minute got me bustin' like a lieutenant

My intent is to eliminate you cynics

Rogue Fo' Life!!

These young niggas always yellin' about ridin'
But these bustas ain't no muthafuckin' ridas

These wannabe hustlas can't compare to midwest
sidas
I pumpst a cock up in they bitch and then I'm slidin'

I'm rollin' deep wit my troopas fixin'ta expose the
chrome

Detramental to domes though ozone

Thousands of bodies bein' found around me

Bottles of bud and double-U-double E-D
N9ne milla rhyme killa

Fuck wit me I'll take that bust of myron D

And throw 'em to mah Dawgs in the red sea

Now lets see if he can swim back to shore

Chunks missin' yellin' I don't wanna mess wit tech no
more

I know you don't Tech N9ne I never say it again nigga

I know you won't never will these niggas lit on my friend

And mista scare crow bitch nigga you ain't got to lie

You just a scared ho Nigga this is highland 'til we die

We got the triple life coast to roll wit Rogue Dawg shit
Bitches and niggas all on the balls when it hit

I neva could understand how a nigga could come so
whack

What? o I ain't talkin about me I'm talkin' about them
other cats

Troopa!

[Chorus]

My nigga my nigga we soldiers at war

Killin' off our enemies 'til it ain't no more!
