He wild out his style bout a mile out ahead of

So bow out his roud out ya gow house and bedda
In ya gow mout he plowed out and now bout to shreda
I strid it them thidown way overseas with his
didiplomatic cmmunity
The thizzled was nizzled for showcasheeze when he

All that don't know stay out
Along with the wont nose they bout
Whatsin its nothing don?t know bump from bustin
On stage he captivates,
All the hate deactivates,
For laughter sake he has to make ya batch collapse
and masturbate.
Snatch the quake ya facts to break
After 8 she's at the gate
Crap for makin that mistake she make the splat
evaporate

Got one of the hardest flows
Can give you that flawless show
Strange collects all his dough
Baby you just don't know

Who does like to scoot in groups and shoot the youth
its cute to you
But it wont be such a hoot when hes so whoopdy woot
the truth get through
Who did you expect to rip and collect checks
Next best bet is to respect the TECH TECH.

[Chorus]

Who that is who that be (come on with it)
Who is that who is he (gon let it fly)
Who that is who that be (come on with it)
Where'd it go lemme see (open your eyes)

He he ha ha ha
Don't talk about what you don't know shut your mouth..
You're not supposed to say (who)
That's what most today (do)
When they know the way (you)
Blow these folks away (true)
Ewry full damage
You vegetables managed to get up in the light and vent
and ya glam It's a pitiful shame with the best of these

[Chorus]

Who that is who that be (come on with it)
Who is that who is he (gon let it fly)
