Everybody wanta get down wit a little motha fucka like

Did'nt know who the fuck u waz fightin wit.

Yo, yo, yo.

Bitchez,

and i'll give u a little bit of thiz grown bro.YO!

When we do it i'll make u numb gurl, you could juzt call
me Vicodin.
You can take me in the day, you can take me in the
night, juzt like yo daily vitamins.
Keep talkin like thiz iz what zhe zaid, and that zhit
made me violent.
Zo I zlapped that bitch, right in her fuckin face, and
that made baby gurl siolent. YO

Zee, zo what I do on my freetime, that zhit iz up to me.
How many timez do i have to tell a motha fucka like
you, that what I do iz ztraight appropriate to be an MC.
And if u thinkin what u do makes u a P.I.M.P,
Well why don't u, take another motha-fucking look up in
the mirror, cuz a bitch iz what i zee.
