Tech Freestyling and beating on chest:

Yo, what up, situp get up

With us killers enough niggas

To crush a lung

To bust your guts and liver

Hit with Ruger, now you living off in a river

Watching this arsenist

While i spark a bit of my heart
And bark I'mma start this #####
(*[man:] sir*)
Welcome to the bottomless pit
Animalistic
I know its hella dark in there
My world (*[man:] sir*) is not like a regular life
We tote big guns instead of a knife
(*[lady:] hey you can't say that in here*)
Hella grim night
The devil is in flight
He said the baretta will get us what ever is in sight
You got a job, i ain't got one
You got a wad, i got a shotgun
(*[shotgun ##### and people screaming]*)
You got a guard, i got a squad
You here to work and I'm here to rob
(*[shot fired]*)
