

## Tech N9Ne "The Real Thing"

Visit "[The Real Thing](#)" on MotoLyrics.com

Drink, this is unreal, beyond me  
The Real Thing cross the path of Suwandi

[Chorus:]

What is real? You must decide.  
Cause soon I feel, I cannot hide!  
This pain is mine, and I bleed for you  
I cannot lie, cause I die for you!  
Believe me I die!  
Believe me I die!

Hey!

I'm the real thing they can check my stats  
All over USA, Overseas, and back  
I didn't get out of this shit through crack  
Education and motivation and just do rap  
Built all my fans, one by one  
They lovin the bullets coming from my gun  
They do cry for me, digging the alpha me  
I'm giving the spirited heart from my tongue  
How can you say my life is make believe?  
When everybody call me for rent, I paid the G's  
I create the "C" notes, we dope  
So why the hate, cause he broke, we growth  
When I look around I see jokes  
With a whole lot of boss and boast  
A marti taught me to not be flossy  
Cause these copies will doubt me, close

[Chorus:]

What is real? You must decide.  
Cause soon I feel, I cannot hide!  
This pain is mine, and I bleed for you  
I cannot lie, cause I die for you!  
Believe me I die!  
Believe me I die!

Hey!

They say my shit is glamor and glitz  
And all they think I'm doing is hammering chicks  
When I'm gone, they'll be slandering this  
But when I'm around, you a stammering bitch

Just give it up cause our cut is due  
Tech lit up and it's better than you  
Never in blue, better than runes  
Made my money off of summerin fools  
I'm the real thing!  
I can rap bitch!  
And I don't know nobody that's disputin that shit  
Put on my mask, spittins fast, get the cash quick  
How does it feel to be real?  
It's fucking fantastic!

[Chorus:]  
What is real? You must decide.  
Cause soon I feel, I cannot hide!  
This pain is mine, and I bleed for you  
I cannot lie, cause I die for you!  
Believe me I die!  
Believe me I die!
