Been eying you for quite a while and now I want some

Go down on you, but now I think it's time you me one

Things we can do baby, I know we'll have a lot of fun

Now that were close, I wanna taste your tongue,

[Tech N9ne]

I'm here to get it up out ya

The sexorcist, that bring that freak out when I mouth to

mouth ya
And yes, it will arouse ya
I feelin a bit of nostalgia
Cause I'm thinkin about about my past procedures,
Ending up out of my trousers
Stick your tongue (what) stick your tongue out
I guarantee,
The minute you let me baby girl, you'll be strung out
I promise your panties will need to be hung out
But first,
Before I begin this freak extraction technique,
Spit your gum out
And let me show you how I can do the cleezy
It's so easy, how I get beezy's to appease me
Throw in a ice breaker
Then let my eyes face her
Then wrap my lips around her tongue and walah!, I
taste her
On your ecstasy trip
You wanna get next to these lips
You wanna continue on, it's best to be stripped
And don't you worry, I'm a master
For this you won't need no pastor
Before I begin there's somethin I have to ask ya...

[Chorus]

Can I Suck your tongue?
I can hardly wait... to taste you
Can I suck Your tongue?
Please don't make me wait... to recreate you
Can I suck your tongue?
Let me be the one... to please ya, I need your tongue
The sexorcism's done... baby don't turn me away
I want to taste your... tongue, tongue, tongue,
Tongue, tongue, tongue
Your tongue, tongue, tongue,
Tongue, tongue, tongue
