

Tech N9Ne "The Virus"

Visit "[The Virus](#)" on MotoLyrics.com

Hits ya harder than thorozone shock wit a bit of that
knock indeed ya caca bean tech gonna eat you wit
them hits with some motherfucking robber beans
running them away like tyrus straight gang nigga like
cyrus no shiners in my eyerus got me a generation
hemmed up with the virus infectious while even rollin in
your lexus g clear the hexes creeps me from here to
texas lets get deep into the pavement I be the topic
ultramicroscopic infected agent no vaccination rapidol
make that information attachable leaving spreading
thru out the nations capitol yes dous may house gate
stout they and aboutface cant say you from this
motherfucking outbreak the virus infects k-i-ds rounds
twos and threes all the way up to ogs with alzheimers
disease see dolores tried immigation but we don't
need no medication for the sensation just the
marijuana lacin let the music take your mind press
rewind the venom is in em the tecca nine combined let
my virus up in you I love fiends so open up your pores
for daddy and let me swim thru your blood stream

We don't need no medication you can buy this virus
come and try this killa style yall hits like a
motherfucking midol we don't need your drugs at all
sold it to you fools strunger than bukoos pick and
choose whatever moves you junkie ew ew whatcha
gonna do.

Nigga you puffin marijuana me puffin marijuana im
peepin the futuristic balastic brain gumma hella
contagious you been fair warned I got a gang a radio
stations makin me airborne no allemia lukemia nor
sickle-cell anemia my virus may cause ensepalitis but it
may cause panties scream a ya make em wanna give
up the virginia tecca nina ya plus ya blood stream and
ya equals no to me to be greedy but a large amount of
you are ?? Im spreadin shit that will get you exile
protect our styles up in the generation x files lets prowl
thru hoes draws I told yall im makin rouge dogs shh
boo ya sha boo ya roll call bizzare flows b-r-os bar
codes sick individuals that god see and lord knows
they stay by me cause my virus aint a fake I.D snake I

be wit venom aint no curing like hiv.

We don't need no medication you can buy this virus
come and try this killa style yall hits like a
motherfucking midol we don't need your drugs at all
sold it to you fools strunger than bukoos pick and
choose whatever moves you junkie ew ew whatcha
gonna do ew ew.

Futuristic man I start to lack the corruptage in this
suffer crusafisally for the busters who fucking wit this
who said ill awaken the dead told me that I would
spread like a plague arm leg leg arm head infecting
you in 2k the year god conquered the virus but to they
injected fuck up in ya no matter what who say spread in
hella fast kickin ass like juve lets party nigga ladies lift
your dress this new world rapper got you flashin
showin my bar code on your breast science will keep it
going when im gone cheap in 97 but in 90 nina tecca
n9ne clones hopefully dobie one canobie will help me
spread it out your sockets into your fiber optics mr
president look around I got a sea of anarchists to shut
this motherfucker down the virus

We don't need no medication you can buy this virus
come and try this killa style yall hits like a
motherfucking midol we don't need your drugs at all
sold it to you fools strunger than bukoos pick and
choose whatever moves you junkie ew ew whatcha
gonna do ew ew.
