Craig you up man?
Haha mr smith, its beautiful night in Kansas City
I must say Tech, you gotta check this out.
Haha its another one,
shut up nigga you ain't Tony G.
hahahaha check it out, uh.

Its a hard knock jaw drop for me

last year i was in front of mic's for free
now im winnin its nice to see
cuz if you ever tried to make it outta here, you would
know its all bull and ima show em how to steer with it
had a clear vision head light deer sittin, thought it
would be cuz craig's got a clear image gotta shift outta
gear - lebron james - they know that im a king but i
remain in the cavalier i was a rolling stone and now im
sky-scrapplin
