Plop is the sound it makes
Plop plop plop till the ground breaks
I'm ground breaking when I fuck I pound great
And she ain't got no stoppers
No bra
No stockings nigga no gown nothing
I made that frown straighten around 8 she sound fake
but I hound make her
Go down like she found Satan
I know you thinking that she ain't do it
Because she be hella boring so she ain't fluid
But when she with me equivalent to straight sewage
Dirty
Like they call you an insane nudist

[HOOK]

Won't you come dirty?, won't you come, won't you

Come, won't you come dirty?
Won't you come, won't you come, won't you come

You come dirty?
Don't bring miss goodie goodie round me, won't you

That booty booty drown me
Won't you come dirty?, Hey, won't you come, won't you
come, won't you come
Dirty? Hey, won't you come

[Verse 2: Young Bleed]

I'm a black Jim Morrison
Peep the game from a far away glimpse
If I get it
I got it
I'm going in
I'm on some bitch
I'm far in
Strange lane I could hardly win
Strange Chain Jenny car we in
My chain hang through the hearts of men
It's the same thing at the bar again
Strange Land more women than men
Strange hands they be giving me gin
My plane land about a quarter to ten
My game grand
Living this sin again and again
Fly as a hen
Chop the hair off my chinny chin chin
We are wild in there
Wild with friends
I'm going to drop the top of the beam on my benz
My team in my hands
Hustling ends
I'm along with you
I'm about to go in
On the phone with you
Like the back of a 4 10
It's on with you
From the beginning to the end
You look like some twins
But really some tens
I keep them clean blowing smoke in the wind
I'm a post the kin
And that's pimp the kin
Mr. Snoop my pimping friend

[Hook]

[Verse 3: Stevie Stone]

Well she come then she eager for the front stroke back
stroke
Deep throat strap in the camel toe swoll
Getting dirty as a model
Baby girl looking like a model
Baby electrify you
Got a new shift kick with that throttle
She swabs
Baby got a mouthpiece swabs
Girls girls they swab
Got them and done them since Carolina Colorado
Feeling like I won the lotto

That bad bitch is Mullato
Baby come drown me
Squirt on me today and tomoRrow
I'll take that
And when I pull your hair you take that
And I'm a smack that ass you take that
Start cumming in your legs
Get shaken
Nervous sexual addict a fanatic
In the pussy enthusiastic
Gotta have it

[Hook]

Outro
Too drugged out
Now I'm bummed out
