When you see me smilin'
I'm really frownin'
You think you really wilin'
I'm killa clownin'
Meaning i don't give a fuck about nothin'
You say that you do because stupid
Iz how everybody soundin'

Niggah you think you know me
But only if you knew me homie
You leave me by my lonely
I'm thinkin' death and destruction
Imagez of blood n pus and
I ain't lookin' for nothin' but trouble
Thinkin' of murderin' you when i'm just loungin'

That'z just the devil (just the devil)
Block it out and keep it movin'
I'm evil and this pussy that i'm pursuin'
Gimme the bible yes i need it
Cuz tecca nina'z in ruin
Mentally i'm fuckin' up when i really don't know what i'm
doin'
My tolerance for physical pain is gained rapidly
I'm gobblin' more thizzlez than thangz but it came back
at me
The holy father musta flipped and became mad at me
Because i'm ponderin' a wicked insane strategy

How to end it all
Many men will fall
And he sent us all
Ninna been involved
You dont really want it wit me punk you dont have the
gaw
It takes the blood on my tongue to get me wanna brawl

No sentimental shit
Death is the penalty for any bitch who try to rekindle
this that'll get ya temple hit
bout to bubble about to pop just like a pimple get
Sin is somethin so insane im so not for simple shit

So teeter tatter motha fucka if you wanna but just keep
it to the left of me
Crazy till the death of me
Pussy money mo money blood and guts is the recipe
Havin hella drama for ninna is a neccessity
Good and bad is fightin within me and im the referee
Shit its lookin like evil is gettin the best of me
Bitches think im pleasant and really wantin the sex with
me
I promise you im losin it you no really wanna mess wit
me

You dont wanna see me run up wit the thang (cock
back)
Make the trigga bang bang (You dont wan it wit me)
If you dont really want it niggah (fall back)
Cuz to killas it aint never been a thang (You dont want it
wit me)
And i can give em to ya if you feel u really want it one
of us aint gonna make it out (You dont want it wit me)
Im kinda sick and psycho crazy feelin like i might go
butcher You'll see what im talkin bout (You dont want it
wit me)
