I'm a playa, I'm a playa, I'm a playa, I'm a playa, I'm a
playa,
I'm a playa, I'm a playa, I'm a playa, I'm a playa, I'm a
playa,
I'm a playa, I'm a playa, I'm a playa!

(Chorus)
I'm a playa, I'm a playa
Oh I'm a playa.
I'm a playa, I'm a playa,
Oh I'm a playa
I'm a playa, I'm a playa
Oh Oh Oh I'm a playa.
yeah tech tech tech nina is a playa.

If you see me lookin clean cut
Matchin from head to toe dippin wid a mean strut
Throwin and blowin green stuff
Hella cleaned up wid da bling cup
Aint no wicked you can kick it if you blue or blinged up
If you see me step off in the club or wit some pros
Wit about six of 'em got no longer waitin to be chose.
And if you hear me tell my homies anything goes
Wit these chickens dippin to Davies right when the
clubber goes.

If you see me on the grind gettin mine
If you bust in a room and find me hittin yours from
behind

If you hear me bustin rhymes rippin each and every
time
If i got it in capacity and you still got a line
If i'm rollin on dubs if it's K-Town bud
If they showin me love wit the red rug at the club
If you see them hatas givin me mugs,
Ladies givin me hugs, no it aint no rocket science it's
because...

(Chorus)x2

I'm a playa in every sense of the word ya heard
I'm gettin money from these dummies flip your chick
so absurd
I'm a playa and i pop collaz
I'm a playa when i don't or when I drop dollaz
Dem rotwielerz
She don't want no softey sayin he do when he don't
She don't want no perpetratin niner-fiver tryin ta flaunt
She don't want no punk that can't get it crunk
No she don't that's how it goes
So my homie Kallico tell 'em what she want

She want a playa not thugz on dubs
We be rollin them 22's and 3's poopin loops and V's
I'm in high persuit of a prostitute
Kallico knock boots got slots to shoot
And I'm pullin out the latex and givin it to who's next
And fool'em pull a brewnet wit unforgettable sex
She's oohin-oohin sweat and I ain't tellin who's wet
And i aint gettin loose yet, so whos next fo group sex?

(Chorus)x2

Listen closeley this is sumtin you mgiht not know
Neva eva tell yur love where else you get yur love
Move in groups no 1 on 1 when you hit the club
And you sould know this if you call yourself a wicked
thug
If you creep to the movies throw away your ticket stub.
If you sexin learn this lesson when you wash off
Just use hot water don't put no soap on yur wash-cloth
That way when you get home no questions, you won't
leave her bent.
Don't be a dope and use the soap cuz it will leave a
scent.

Dont tell yur number two that she's your one and only
Cuz if she knows it way easy to go go her own way
If you takin chicken to your secret home, hey
Always go the backway to confuse them just take the

long way.

To all my ladies if you payin throw your hands up.
To all my fellas if you playin throw your grands up.
This is foreva baby havin cleva things
I'm a playa motha fucka and i bet i neva change!

(Chorus)x2

I'm a playa I'm a playa

(Chorus)x2

I'm a playa, I'm a playa, I'm a playa, I'm a playa, No

I'm a playa, I'm a playa, I'm a playa!
