[Tech N9ne]

Mothafucka

I'm a playa {\*18X\*}

[Chorus]

I'm a playa, I'm a playa

I'm a playa, I'm a playa, I'm a playa

I'm a playa, I'm a playa, I'm a playa

Oh oh oh I'm a playa

(Ya, Tecca Nina is a playa)

[Tech N9ne]

If you see me lookin clean cut

Matchin from head to toe dippin with a mean strut

Throwin and blowin green stuff

Hella creamed up with the bling cuff

Ain't no wicked we can kick it if you blue or beamed up

If you see me step off in the clubber with some pros

With about six of em cut no longer waitin to be chosen

If you hear me tell my homies anything goes

With these chickens dippin to Davy's right when the  
clubber close

If you see me on the grind gettin mine

If you bust in a room and find me hittin yours from  
behind

If you hear me bustin rhymes, rippin each and every  
time

If I got it at capacity and you still got a line

If I'm rollin on dubs, if it's K-town bud

If they showin me love with a red rug at the club

If you see them haters givin me mugs

Ladies givin me hugs

Know it aint no rocket science it's because

[Chorus] 2x

I'm a playa, I'm a playa

I'm a playa, I'm a playa, I'm a playa

I'm a playa, I'm a playa, I'm a playa

Oh oh oh I'm a playa

(Ya, Tecca Nina is a playa)

[Tech N9ne]

I'm a playa in every sense of the word ya heard  
I'm gettin money from these dummies flip your chick  
so absurd  
I'm a playa and I pop collars  
I'm a playa when I don't or when I drop dollars  
Them rottweilers  
She don't want no softie sayin he do when he don't  
She don't want no perpetratin nine-to-fiver tryin to  
flaunt  
She don't want no punk that can't get it crunk

No she don't

That's how it goes so my homie Calico, tell em what she  
want

[Calico]

She want a playa not thugs on dubs  
We be rollin them 22's and 3's  
Poppin ludes and V's  
I'm in hot pursuit of a prostitute  
Calico knock boots gots lots to shoot  
And I'm pullin out the latex  
And givin it to who's next  
I'm pullin, pull a brunette  
With unforgettable sex  
She's oohin oohin new sweat  
And I ain't tellin who's wet  
And I ain't gettin loose yet  
So who's next  
For group sex

[Chorus] 2x

I'm a playa, I'm a playa  
I'm a playa, I'm a playa, I'm a playa  
I'm a playa, I'm a playa, I'm a playa  
Oh oh oh I'm a playa

[Tech N9ne]

(Listen closely, this is somethin you might not know)  
Never ever tell your love or else she'll get your love  
Move in groups, no one on one when you hit the club  
And you should know this if you call yourself a wicked  
thug  
If you creep to the movies, throw away your ticket stub  
If you sexin, learn this lesson when you wash off  
Just use hot water, don't put no soap on your washcloth  
That way when you get home  
No questions, you won't leave her bent  
Don't be a dope and use the soap cause it will leave a  
scent

Don't tell a number 2 that she's your one and only  
Cause if she knows we're easy to go her own way  
If you takin chickens to your secret home, hey  
Always go the back way to confuse em just go the long  
way  
To all my ladies if you playin throw your hands up  
To all my fellas if you playin throw your grands up  
This is forever baby havin clever thangs  
I'm a playa mothafucka and I bet I never change

[Chorus] 4x

I'm a playa, I'm a playa  
I'm a playa, I'm a playa, I'm a playa  
I'm a playa, I'm a playa, I'm a playa  
Oh oh oh I'm a playa  
(Ya, Tecca Nina is a playa)

[Chorus] Slowly

I'm a playa, I'm a playa  
(I'm a playa!)  
I'm a playa, I'm a playa  
(No stoppin me!)  
I'm a playa, I'm a playa  
I'm a playa!
