Will you wait?  
I'm on the other side  
The other side  
Will you wait?  
I'm on the other side  
It's too late to tell you what I'm about  
But god, I'm proud

A giant in the sky  
A light flooded horizon  
a silent peaceful cry  
And the sun that is rising  
Warms me up  
Warms me up  
Wears me out

Will you wait?  
I'm on the other side  
The other side  
Will you wait?  
I'm on the other side  
It's too late to tell you what I'm about

But God, I'm proud  
But God, I'm proud...

A different kind of quiet  
A different kind of warning  
You've said your last goodbyes  
And left your daughters mourning  
Breathing in  
Breathing now  
Breathing out

Will you wait?  
I'm on the other side  
The other side  
Will you wait?  
I'm on the other side  
It's too late to tell you what I'm about  
But God, I'm proud  
But God, I'm proud...
