Allright, have a good time tonight, all night, all night
Allright, have a good time tonight, let's party, all night

Do you wanna party ? Yeah
Do you wanna dance ? Yeah
Do you wanna do it ? Yeah
C'mon get it goin' ! Yeah
Somebody in the house say ho ! Ho
Everybody say Yo ! Hoeey Ho
Let's go

What you wanna do ? What you wanna be ?
What you wanna do ? Come boy shake your pants
What you wanna do ? Who you wanna be ?
What you wanna do ? Come boy shake your pants

Do you wanna party ? Yeah
Do you wanna dance ? Yeah
Do you wanna do it ? Yeah
C'mon get it goin' ! Yeah
Let's jump it 'n pump a party non stop
Just dump your grump and stomp it all around the clock

Juicy to the left, juicy to the right
It's all about the funky dance party tonight
Juicy to the left, juicy to the right
It's all about the funky dance party tonight
Put your hand in the air, bring your good-look derriere
Juicy to the left, juicy to the right
Put your hands in the air, bring your little derriere
Juicy to the left, juicy to the right, it's allright
