Dangerous! Ain't got no business beeing here.
I saind it's dangerous I feel the time is drawing near
Will ya get up on the floor and do your thing,
Everybody's jumping like it aint no fun
So don't avoind the lightning and don't feel ne fear
'Cos friend one thing is clear

Everybody is getting down,
Moonwalking all around
Chain reaction, Chain reaction,
Chain reaction, dance like Michael Jackson

Dangerous! It's getting really hot in here
I saind it's dangerous I've got this tinging in my ear
Will ya get up on the floor and do your thing,
Everybody's jumping like it aint no fun
So don't avoind the lightning and don't feel ne fear
'Cos friend one thing is clear

Everybody is getting down,
Moonwalking all around
Chain reaction, Chain reaction,
Chain reaction, dance like Michael Jackson
