"Nowhere to go"

Visit "[Nowhere to go](#)" on MotoLyrics.com

I've been crawling on the floor
I keep staring at the door
silence pounds me, I can't think
man, I'm dying for a drink

I keep falling
will you carry me?
can't see nowhere to go
pull me out of this hole

And I will follow you
I found it hard to call you up
now I'm drowning and I can't stop

I keep falling
will you carry me?
can't see nowhere to go
pull me out of this hole
can't see nowhere to go
somehow I lost my soul

One is not enough for me
I always seem to want some more
I'm not sure I want this anymore
