I fell in love with a puertorical girl
But it's hard, we live in different worlds
Mama said 'don't you even start'
So-called friends are tearing us apart

Oh my God, we're running out of time

Come on, nothing's gonna chance,
Come on, let's get away
C'mon, we could be together,
Someday, someday, someday

Your old man, he didn't understand
Said to me 'leave and don't come back'
Then he sent your brother after me
We need to run, so take only, what you need

Oh my God, we're running out of time

Come on, nothing's gonna chance,
Come on, let's get away
C'mon, we could be together,
Someday, someday, someday

Come on, nothing's gonna chance,
Come on, let's get away
C'mon, we could be together,
Someday, someday, someday

Oo-ooo-u-uuu
Oo-ooo-u-uuu

Come on, nothing's gonna chance,
Come on, let's get away
C'mon, we could be together,
Someday, someday, someday

Come on, nothing's gonna chance,
Come on, let's get away
C'mon, we could be together,
Someday, someday, someday

Someday, someday, someday

Come on [x3]

Someday, someday, someday
