Found a reason to live  
On my TV screen  
Hope wrapped in plastic sheets  
There's no greater truth  
Than the one that you can buy  
At a discount price  
Your life for mine..  
There's only one way to go  
And you know  
As well as I  
That it ain't the way  
Way out  
Tonight pride walks  
The same paths as death  
Sooner or later they must meet  
The one that lights away  
Will be the first one to wall  
And none can take it's place  
Your life for mine..  
There's only one way to go  
And you know  
As well as I  
That it ain't the way  
Way out  
There's only one way to go  
And you know  
As well as I  
That it ain't the way  
Way out
