Right now I feel like a bird
Caged without a key
Everyones comes stearing me
With so much joy and revelry

They don't know how I feel inside
Trough my smile I cry
They don't know what they do to me
Keeping me from flyin'

That's why I say that
I know why the caged bird sings
Only joy comes from song
She's so rare and beautiful to others
Why not just set her free
So she can fly, fly, fly
Spreadin' her wings and her song
Let her fly, fly, fly
For the whole world to see

She's like a caged bird
Fly fly
Oh, she's a little fly
She's a little fly
She's a little fly
Spread wings
Spread beauty
