Help, I must find love once again  
Someone more than a friend  
Holding me tight, More than one night  
Soothing the winters of my life

Please, Stay with me here by my side  
Time is passin' us by  
I will substain most of the pain  
Something in your smile puts me throu

Darling it's You  
I love, so madly  
You know that it's You  
I want so badly  
It's really hard to find  
A heaven of blue  
Believe me now, when I say  
Darling, it's You  
You

Stay, Rest a while here in my arms  
I will leave you unharmed  
In your dispair, I'll take good care  
Something in your eyes says it's true

Darling it's You  
I love, so madly (So madly)  
You know that it's You  
I want, so badly  
It's reallt hard to find  
A heaven of blue  
Believe me now, when I say  
Darling, it's You

(In your dispair)  
(I'll take good care)

Darling it's You  
I love, so madly (So madly)  
You know that it's You  
I want so badly

It's really hard to find  
A heaven of blue  
Believe me now, when I say  
Darling, it's Youuuuuu
