Iâ€™m really glad that Iâ€™m alive
I didnâ€™t know if Iâ€™d survive
Iâ€™ve been too low too long to like it
and had to face the pain to fight it, baby
in the eyes of sad man
the future world is bound to look tragic
after all
life is magic

I met a man with lonely eyes
then suddenly I realized
you gotta live inside a prison
to open wide the gate to wisdom, baby
from the stairs of a jailhouse
the colors of the rainbow look brighter
after all
Iâ€™m a fighter
Iâ€™m back in the business
Ooh, Iâ€™m back in the business

When the nights were long
I had to fight my way
till my fear was gone
and I could see the day
now Iâ€™m feeling much better
thanks for sending your letter
and your postcard
of Manhattan
from the sky
I get by

Iâ€™ve been alone and run around
to every joint there is in town
I had to find a face to talk to
another place that I could walk to, baby
from the cliffs by the lighthouse
the navy blue horizon looks brighter
after all
Iâ€™m a fighter
Iâ€™m back in the business
Ooh, Iâ€™m back in the business

In the eyes of a sad man
the future world is bound to look tragic
after all
life is magic

Back in the business...
