Right now I feel like a bird  
Caged without a key  
Everyones comes stearing me  
With so much joy and revelry

They don't know how I feel inside  
Trough my smile I cry  
They don't know what they do to me  
Keeping me from flyin'

That's why I say that  
I know why the caged bird sings  
Only joy comes from song  
She's so rare and beautiful to others  
Why not just set her free  
So she can fly, fly, fly  
Spreadin' her wings and her song  
Let her fly, fly, fly  
For the whole world to see

She's like a caged bird  
Fly fly  
Oh, she's a little fly  
She's a little fly  
She's a little fly  
Spread wings  
Spread beauty
