I Said:

Oh no, I can't do that thing
Gettin' so dizzy when I try to swing
Sorry honey, you can beg all day
I'm gonna be sitting here anyway

She said:

All you got to do is move your hips
Touch me gently with your fingertips
Trust me when you're in that groove
You might just like it when we start to move

Oh Oh

Oh, You got me dancing
I'm so glad you got me dancing
Oh, you got me dancing
For the first time

I can't do it

I Said:

Oh no, I can't do that trick
I'm way behind you and you move to quick
Calm down, take it nice and slow
I want to be ready when you start to go

She said:

Feel the rythm and sychronize
I like the sentiment within you eyes
Still it's better if you tried to smile
A whole lot better if you changed that style

Oh Oh

Oh, You got me dancing
I'm so glad you got me dancing
Oh, you got me dancing
For the first time

I Can't do it!

I Can't do it..

She said:
Oh gee, I think you got it right
I wanna be swinging in your arms all night
Hold on 'til I'm satisfied
I just don't wanna get of this ride

I Said:
Oh no, you can't stop me now
I'm really happy that you showed me how
Oh yeah, i can do that thing!
I'll do it again if you would let me in

Oh Oh
Oh, You got me dancing
I'm so glad you got me dancing
Oh, you got me dancing
For the first time

I Can't do it
