Well the bus is pulling out and I guess I'd better go
Before I make a grave mistake and let my feelings
show

And twenty miles away she waits alone for me
But when I try to picture her you're the one I see

And in another situation I could put up a fight
But you will be my downfall tonight

So the night is coming down, drowning us in blue
And it all points towards the things we know we
shouldn't do

And as I look at you and I fall under your spell
Well I know I should be thinking of her lying there
herself

And when faced with temptation
You know a man should stand and fight
But you will be my downfall tonight

Be my downfall, be my great regret, be the one girl
that I'll never forget
Be my undoing, be my slow road to ruin tonight
Be my downfall, be my great regret, be the one girl
that I'll never forget
Be my undoing, be my slow road to ruin tonight

So the bus is pulling out and I'm grounded here with
you
And I want to say the sweet things babe I've always
wanted to
So tell me now the tail-lights have gone out of sight
Baby won't you be my downfall once again tonight
