"Cry To Be Found"

If you think your mind is ready
Then open your heart and let it fall
But if you keep on hiding from me
You're not gonna' live your life at all

'Cause' if it's love that you want
You've gotta' give me more than, you've shown
Because this sweet light of love won't come down
If you don't cry, cry to be found
If you don't cry, cry to be found

So get yourself together, let it
Be something you'll treasure, for evermore
Make me come out lookin' for it
And show me you're worth me, waitin' for

'Cause' if it's love that you want
You've gotta' give me more than you've shown
Because this sweet light of love won't come down
If you don't cry, cry to be found
If you don't cry, cry to be found

If you could give me a flag to follow
A bright shiny path toward your door
Then you might get somewhere at last
That you wanted to go, ohh ohh
Ooo ooh yea
(Ooh yea)

'Cause' if it's love that you want
You've gotta' give me more than you've shown
Because the sweet light of love won't come down
If you don't cry, cry to be found
If you don't cry, cry to be found

Cry
Cry, what you waiting for?
Cry, if you don't cry
(If you don't cry)
Cry, if you don't cry, you're not gonna' live your life
(Cry)
You're not gonna' live your life at all

(Cry)
C'mon, show me you're worth me waitin' for
(Cry)
Ooh
(Cry)
Cry, cry, cry, cry, cry
