I still don't believe it, how much we lied  
Last night you made it with him now I'm supposed to be  
dignified  
Just like a man

Well I spend my night times drinking and you spend  
your days in bed  
And I guess it's up to us to choose the methods by  
which we forget

And just like a man he holds you gently  
And just like a man he strokes your hair  
And just like a man I still pretend that  
I'm immune to the whole affair

But I wanna die, I wanna cry, I wanna tell you that I was  
wrong  
Ya, I wanna die, I wanna cry but it's too late  
So I soldier on just like a man

I don't believe it, you were easy to leave but now  
I do my best to relieve it in the only way that I know how  
Just like a man

And I don't wanna possess you and I don't wanna take  
his place  
But I don't wanna see my last few pleasures written all  
over his face

And just like a man he holds you gently  
And just like a man he strokes your hair  
And just like a man I still pretend that  
I'm immune to the whole affair

But I wanna die, I wanna cry, I wanna tell you that I was  
wrong  
Ya, I wanna die, I wanna cry but it's too late  
So I soldier on just like a man  
Ain't that just like a man, just like a man  
Ain't that just like a man

And I have something to tell you but it doesn't matter

now  
I'll stick to small talk and leave the little bits of flattery  
to him  
And I could call you but why would I bother to  
You might not be in or he might misunderstand  
Just like a man

I wanna die, I wanna cry, I wanna tell you that I was  
wrong  
Ya, I wanna die, I wanna cry but it's too late  
So I soldier on just like a man

Ya, I wanna die, I wanna cry, I wanna tell you that I was  
wrong  
Ya, I wanna die, I wanna cry but it's too late  
So ain't that just like a man
