It seems like weeks since you looked at me baby  
Without that look of distaste  
I don't know why your feelings are changing  
But I've seen it in your face

All those times when our lips were kissing  
Our tongues were telling lies  
And all those signs I've been missing  
Were right there in your eyes

So come on babe  
Let's kiss this thing goodbye  
Let's kiss this thing goodbye

I sometimes feel when we're together baby  
Everything has turned out wrong  
And I know you feel exactly the same way  
But still we carry on

And I've been waiting up by the window  
Watching these cars go by  
And I tell myself that I'll go through the motions  
For the last time tonight

So come on babe  
Let's kiss this thing goodbye  
Let's kiss this thing goodbye

Now I'm watching the fumes foul up the sunrise  
I'm watching the light fade away  
And I'm hoping tonight that I'll open the door  
And you'll stand here and say

Come on babe  
Let's kiss this thing  
Come on babe  
Let's kiss this thing goodbye

Better make it sooner than later  
Before it all turns sour  
Don't you know we'd better  
Kiss this thing goodbye
