CAT SCRATCH FEVER

Ted Nugent

Well I don't know where they come from  
But they sure do come  
I hope they comin' for me  
And I don't know how they do it  
But they sure do it good  
I hope they doin' it for free

They give me cat scratch fever  
Cat scratch fever

The first time that I got it  
I was just ten years old  
I got it from some kitty next foor  
I went and see the Dr. and  
He gave me the cure  
I think I got it some more

They give me cat scratch fever  
Cat scratch fever

It's nothin dangerous  
I feel no pain  
I've got to ch-ch-change  
You know you got it when you're going insane  
It makes a grown man cryin' cryin'  
Won't you make my bed

I make the pussy purr with  
The stroke of my hand  
They know they gettin' it from me  
They know just where to go  
When they need their lovin man  
They know I do it for free

They give me cat scratch fever  
Cat scratch fever
