Sabotage on a downtown street  
Police cars overturned  
You can't do nothing to beat the heat

Cost more than you got  
And if you don't, you'll get burned  
Sleek women behind every door  
You best be up if  
Cause if you don't  
You want some more  
You'll be shot

Dog, dog, dog eat dog  
Log on  
Dog, dog, dog eat dog  
Dog, dog, dog eat dog  
Kamikaze from

The hundredth floor  
Swan dive to the street  
This madness no more  
He couldn't handle  
Yeah, yeah, yeah  
Dog, dog, dog eat dog  
He craved that sweeter meat

Dog, dog, dog eat dog  
Dog, dog, dog eat dog

Dog, dog, dog eat dog  
Dog, dog, dog eat dog.....Dog, dog, dog eat dog
