Hold it Down!

I'm not messin'  
So learn your lesson

Take it prouder  
I like it louder

(Flesh and blood)  
That's what I want from you  
(Flesh and blood)  
Tell you what I'm gonna do  
(Flesh and blood)  
Got to have a little taste  
(Flesh and blood)

Choose your weapon  
Cause I'll be steppin' it

(Flesh and blood)  
That's what I want from you  
(Flesh and blood)  
Tell you what I'm gonna do  
(Flesh and blood)  
Got to get a little taste  
(Flesh and blood)  
I'm gonna murder ya!

(Flesh and blood)  
Flesh!  
Blood!  
Flesh and blood!  
Give it to me!  
Yeah, yeah, yeah, yeah!
