Never before have I turned on you
well you look too good to me
Your beady eyes they could cut me in two
and I just can't let you be
Well it's a free for all
and I heard it said
you can bet your life
Stakes are high and so am I
It's in the air tonight

See you there with your cheshire grin
I got my eyes on you
Shake your tail feather in my face
and there's no tellin' what I'll do
Well lookie here you sweet young thing
the magic's in my hands

When in doubt
I'll whip it out
I got me in a rock 'n roll band
It's a free for all

Here we go, look out below

I'm on the prowl tonight
When it's said and done
I'll have my fun
I can chew anything I bite
Come one, come all
to a midnight ball
the invitation's there

Come alone and I'll drive it home
I'll help you, I do declare
It's a free for all

(instrumental)

Never before have I turned on you
well you look too good to me
Your beady eyes they could cut me in two
and I just can't let you be

Well it's a free for all
and I heard it said
you can bet your life

Stakes are high and so am I
It's in the air tonight
It's a free for all
