I think I know your condition
Yes I been down that road before
Maybe it's just supsrstition
But there's one thing that I know for sure

I gotta have me some
Good friends and a bottle of wine
Good friends that show me a good time
Good friends and a bottle of wine
I'm so glad they're just what I got
I'm so glad I got me a lot

They say that I'm going crazy
It's true sometimes I want to scream
Maybe my vision gets hazy
But there's one thing that I know that I need

I gotta have me some
Good friends and a bottle of wine
Good friends that show me a good time
Good friends and a bottle of wine
I'm so glad they're just what I got
I'm so glad I got me a lot
Friends

It's true that life has it's moments
Yeah sometimes up and sometimes down
Identify your opponents
And gather all your good friends around

I gotta have me some
Good friends and a bottle of wine
Good friends that show me a good time
Good friends and a bottle of wine
I'm so glad they're just what I got
I'm so glad I got me a lot

Good friends and a bottle of wine
Good friends and a bottle of wine
Good friends and a bottle of wine
