Intro:

I'm a believer
We gotta let them know
Hey
To all GODS people
I'm a believer

Verse 1 (Tedashii):

This right here don't make no sense/you ain't gotta
guess baby that I'm His/
Crucified, died, now alive in Him/I done put my faith in
Him hommie till the end/
Now the new life, I live in Christ/It's because of Him, ya
boy shine so bright/
You can keep the ring and the chains and the
ice/camps main campaign ain't to pop
champagne/that's lame/
No game hommie I rep Christ/you can peep my lyrics
and the way that I write/
I surrendered everything, even my rights/I count it all
lost just so I can know Christ/
Or better yet baby so that He can know me/as a son
coming home from prodigal to free/
Free from my sin that's the end of my grief/I'm a
believer so best believe this me/
Even at the cross Jesus took my place/He didn't
deserve it, I guess that's what you call faith/
I did deserve it, I guess that's what you call grace/He
did it for certain and garaunteed my place/
In Him, and then seated me on high/in the end baby I'll
be caught up in the sky/
On a dime, in the twinkling of an eye, I'll be found in the
air with my saviour Jesus Christ/

Hook

I'm a believer
I'm a believer no doubt
I'm a believer yeah yeah
I'm a believer hear me out yeah
I'm a believer hey
I'm a believer hey hey

He came in my life
And I never thought twice
He's all that I have
And I'm willing to fight
I stare at them like

That I'm a believer

Verse 2 (Trip Lee):

Some might know me as a rapper some might know me
as a southern dude
Others as a black man, but first I got another crew
Ever since I heard the Gospel message how the Son
was bruised
I got a new identity, it's like your boy's another dude
We ain't undercover brother, come and see us trust the
truths
That we stand under brother, other things adjust and
move
Some say we dumb for trusting Christ, they say we just
some fools
But you can check His grave if you want it proved, ooh
We ain't perfect at all nah we recognize this life's hard
The difference is instead of drowning, we trust the life
guard
We fight hard, but with the right perspective as we walk
this
It's Christ, He works in us like a office, so I'm a believer

Verse 3:

(Tedashii)

So in the end, hey this is me/I ain't that cat that you
seen on TV/
I ain't that rapper, model, actor, baller/none of them
defines me/
I'm a believer, known to the One that exist in three/
Co-heir to the kingdom, that means I'm the king's
son/partner that's what defines me/
Identity/crucified, choose to die, now the life that I live
not I/
But it's this flesh, He laid to rest/through faith by grace
I live through Christ/

(Trip Lee):

I'm quite sure your mama told you not trust just
anybody
But tell me who is like the Lord? Not anybody
I took a look at Him in the Scriptures, this really got me
He keeps His promises, even though cats be living

sloppy

Look at His love, and His grace, and His just mercy
I was dirty, till I trusted Him who's trustworthy
