You don't have to love me baby
I don't give a damn
You've got the time, I've got the touch
And you know who I am
Its sanctified, I'm mystified
A case hit and run
Ain't no use, No more abuse
You are my number 1

I'm in love
I'm mystified, baby
YA, I'm in love
I'm mystified, baby
YA, YA, YA
You're my kind of lover
You always keep me mystified

I'm in love
I'm mystified baby
YA, YA, YA
You're my kind of lover
You always keep me mystified

Get out of the kitchen
When I can't take the heat
What you got cooki honey
It's good enough to eat
In walk the bossman with a boom boom boom
He said break times over boy get pushin' that broom
That's the way it goes sometime
It's just the story of my life

You're my kind of lover
You always keep me mystified
You just keep it comin' babe
You always keep me satisfied
You're my kind of lover
You always keep me mystified

I don't mind pushin' that broom baby
As long as I keep pushin' back towards you

Mmm, Mmm, Mmm, Mmm

You're my kind of lover
You always keep me mystified
You're my kind of lover
You always keep me satisfied
You're my kind of ohhhh
You always keep me mystified
